This supplement amends certain disclosure contained in the prospectus for your Variable Annuity contract issued by Allstate Life Insurance Company or Allstate Life Insurance Company of New York. Not all funds listed below are available as investment options on all contracts. Please refer to your prospectus to determine which information relates to funds available through your Variable Annuity contract.

As approved by shareholders of each Oppenheimer VA Fund listed below, each such fund will be reorganized into the corresponding, newly formed series of AIM Variable Insurance Funds (Invesco Variable Insurance Funds) shown as the Acquiring Fund below, as of the close of business on the date that has been set for these reorganization transactions. Each reorganization is currently expected to close on or about May 24, 2019, or as soon thereafter as practicable (the Reorganization Date). In addition, the Trust, Oppenheimer Variable Account Funds, will be replaced by AIM Variable Insurance Funds (Invesco Variable Insurance Funds), and the investment adviser, OppenheimerFunds, Inc. will be replaced by Invesco Advisers, Inc. Immediately after the closing of a reorganization, your Contract Value in the sub-account(s) corresponding to an Acquiring Fund will be equal in value to your Contract Value in the sub-accounts corresponding to the Oppenheimer VA Fund that you held immediately prior to the closing of the reorganization.

This includes, but is not limited to, systematic withdrawals and Dollar Cost Averaging.

Additionally, if any of the Oppenheimer VA Funds listed above is part of an allocation model for your Contract, you may need to make a new election of an available portfolio within the asset allocation model for the model to continue to operate for your Contract following the Reorganization Date.
