Explanation of Responses:

1. These common share units were acquired pursuant to The Allstate Corporation Amended and Restated Deferred Compensation Plan for Non-Employee Directors and represent the director's fees deferred under the Plan and converted into units based on the fair market value of The Allstate Corporation's common shares. The units are credited with amounts representing dividends on common shares, as declared, which are also converted into units. For the period of October 2, 2017 through January 1, 2018, the reporting person acquired 21.853 of common share units representing those dividends.
